Bolls. Pimples.

Sure Signs of Impure Blood.

Do not think that washes and oint-
ments can cure eruptions of the skin.
They cannot. The cause is deeper,
even down in the very blood itself.
Purify your blood, and your skin will
be smooth and clear.

Mr. James Johnson, of South Forbes,
New South Wales, sends us his photo-
graph, and says:

"My whole body was almost covered with
bolls. Reading about

AYER'S Sarsaparilla

I thought I would try it. I took one bottle,
and was entirely free from any eruption what-
ever. My eyesight was greatly strengthened
also.

Mr. Johnson's eyesight was strength-
ened because the Sarsaparilla is such
a wonderful nerve tonic. For impure
blood and weak nerves there is no
remedy in the world equal to it.

You cannot enjoy good health if your
bowels are constipated. Ayer's Pills
cure constipation every time.

CLOSING OF THE FOURTH

SPORTS AT MAKIKI AND PRIZE
WINNERS.

Eva Runs Away From the Bonnie in
First Class Yacht Race—Other Vic-
tories—The Myrtle Dance.

The field sports attracted quite a
large number of people to Makiki yester-
day afternoon. It was estimated
that 2500 were present on the grounds.
Unfortunately there were no seats
nor shelter, so that ladies and children
did not have the best time of their
lives. Having no grandstand it was
with great difficulty that the crowd
was kept back and managed. Many
people, being wholly unable to see, left
before the events were over.

Sam Johnson was in charge of the
program. He was assisted by Will
Prestidge, L. W. Merrill and others.
Dr. Grossman was at the head of the
committee but he is at Hilo.

The following is a summary of the
events and the winners in each:
Race for boys under 12—Won by R.
Wilcox; C. Pereira second.

Race for boys under 12—Won by P.
Cummings; En Chi second.

Race for girls under 12—Won by
Ella Murray; Bessie Dwight second.

Race for girls under 12—Won by
Lydia Wagner; Ella Murray second.

Race for girls under 10—Won by
Margie McGuire; Helen Bushnell second.

Boat and shoe race—Won by Harvey
Chilton; Joe Peter Louis second.

Potato race—Won by Harry Wagner;
Harvey Chilton second.

One-hundred yard dash—Won by En
Sang; Tom Price second.

High Jump—Won by Walatua; En
Sang second; 4 feet 7 inches.

Hurdle race—Won by En Sang; Wal-
atua second.

Pole vault—Won by Len Kul; 8 feet
9 inches; En Sang second; 8 feet 6
inches.

Baseball throw—Won by En Sang;
270 feet; L. W. Merrill second.

YACHT RESULTS.

When The Star went to press yester-
day afternoon the first class yachts
were still out. A telephone message
from Waimanalo stated that the Bon-
nie Dundee was four miles ahead. This
was a mistake, for the Eva (the old
Gladys) led from Diamond Head to
Rabbit Island and home again. The
boats stood so far out at Waimanalo
that the mistake is easily accounted for.

In leaving, the Bonnie and Eva had
a "neck and neck" race to Diamond
Head. On turning the point and
catching the channel breeze, however,
the Eva began to show her heels to
the Bonnie. The distance between
them steadily widened until Rabbit
Island was reached. On the return
trip the Bonnie closed up some of the
gap and was at the bell buoy when
her competitor crossed the line in
port. The La Palma did not sail the
course. Beyond Koko Head she met
the other boats coming back. It was
useless to continue, so she turned
about and returned to port. The dif-
ference in time between the Bonnie
and Eva was twenty-nine minutes.

In the other yachting events the
following were the winners: Second
class, Hawaii; third class, Myrtle;
fourth class, Poki. The Leowa, which
leaked so badly, is still under water
and will have to be extensively re-
paired.

The new method of starting the yacht
races was employed yesterday. This is
the method in vogue in America. It is
the method used in the races for the
America cup. Five minutes before the
starting time a signal is given, a pistol
is fired or some other suitable method
is employed. The yachts then man-
euver for position. At the time for
starting, five minutes after the prelimi-
nary signal, another signal is given.
The start is from this signal, no matter
where the yachts are except that if they
have crossed the starting line they
must go back of it and start again.
This maneuvering is a test of seamans-
hip.

All of the four measly boats in the
parade will be given prizes.

DANCE LAST NIGHT.

The dance at the Myrtle Boat club
last evening was a great social suc-
cess, although, on account of the
threatening weather, the party was
not as large as had been anticipated.
About forty-five couples were present.
There was good music, plenty of re-
freshments and an excellent dance
program.

A KAMAIAINA DEAD.

BERKELEY, June 22.—Charles Kit-
tredge Clark, a pioneer resident of
Berkeley and San Francisco, died last
evening, after a two-months' illness
with cancer of the stomach.

The deceased was, perhaps, best
known as the secretary and organizer
of several building and loan associa-
tions in San Francisco and Alameda
county.

Mr. Clark was born in the Hawaiian
Islands in 1841, his father being an
early missionary there, and when 22
years of age he settled in San Fran-
cisco. He then went to Oakland and
finally settled in Berkeley in 1878.
